

Verbasnol™

For Bright Healthy Skin

A powerful antioxidant supporting clear and healthy skin via topical and oral product applications

Pure & Beneficial Antioxidants

Verbasnol™ is an advanced age-defying botanical derived from *Rehmannia glutinosa*, formulated to nourish the skin for a radiant glow. Infused with powerful antioxidants, Verbasnol™ helps to nourish the skin and promote a bright and youthful appearance.

Verbasnol™ verbascoside is produced using NuLiv Science's proprietary high-purification extraction technology. It has been validated through HPLC chromatography and UV spectra analysis, ensuring its quality and consistency. Experience the benefits of Verbasnol™ and nourish your skin with antioxidants for a vibrant, healthy complexion.

Recommended Dosage: 2% topical, 80mg Oral
