August 2024

This month, our team came together for a series of special events that reinforced our bonds and celebrated our shared achievements. As we look ahead, we're gearing up for a Q4 packed with trade shows, events, and announcements. We look forward to sharing more updates and successes in the coming months.

Key Events

NuLiv Science Bi-Annual Team Week Newport Beach

Our NuLiv Science team came together for a week-long series of activities and bonding. With team members joining from near and far, the week was filled with opportunities to connect, relax, and enjoy each other's company in a fun and energizing environment. Throughout the week we had several productive collaboration meetings, attended baseball games, enjoyed a team lunch, spent a day at the beach, and took a Duffy Boat tour of Newport Beach, CA.

Looking Forward

Big news coming soon!

The last few months of the year hold several new and exciting announcements including some much anticipated new research! This along with several trade shows, international travel, and ever evolving content from our talented team makes for an exciting last few months of 2024.
