November 2024

NuLiv Science doesn't stop! After a successful show at Supply Side West we've kept the momentum going! This month we attended two international shows, Expo Sports Fitness in Mexico City and Food Ingredients in Frankfurt, Germany. We also had the team from Jelly IV visit the headquarters to discuss new opportunities and formulations, opening doors to exciting collaborations ahead.

New Products Launched with NuLiv Ingredients:

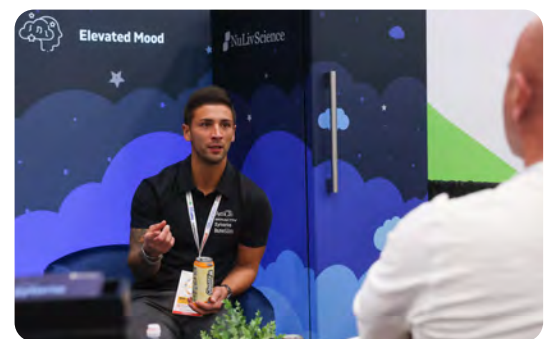

Apollon Unbreakable
- JointIQ and AstraGin

Skill Pre Workout
- AstraGin

**Axe and Sledge Hydraulic
(New Flavors: Christmas Punch and Candied Sugar Plum)**
- AstraGin

Key Events

Expo Sport Fitness CDMX 2024

In early November, we were thrilled to participate in the Expo Sport Fitness CDMX 2024 in Mexico City. This event gave us the chance to connect with sports nutrition enthusiasts, fitness experts, and industry innovators passionate about performance enhancement and well-being. We showcased our science-backed ingredients and received insightful feedback from attendees and industry peers alike.

Food Ingredients 2024

Following Expo Sport Fitness, our team headed to Food Ingredients 2024 in Frankfurt, Germany. This global event brought together industry leaders focused on innovative, high-quality ingredients, and sustainable solutions for the food and beverage sector. We were honored to engage with key players in the industry, share ideas, and gain inspiration from some of the most innovative minds in the business.

Thank you!

As we celebrate Thanksgiving, we want to take a moment to express our gratitude to you, our clients! We appreciate your continued trust in NuLiv Science and your dedication to quality, innovation, and consumer wellness. It's partners like you who make our journey in nutraceutical and functional food ingredients so rewarding!

As the holiday season approaches, we wish you all peace, joy, and the fulfillment of time spent with loved ones. Here's to another year of collaboration, growth, and success.
